

Dear Fellow Rotarians,

We are very pleased to announce that we are going to organize the 10th Aspendos Rotary Golf Tournament, which has become a traditional project of our Club since the year 2000. The main emphasis of this project is to enhance the fellowship amongst the Rotarians. At the same time the financial support from our sponsors will help us lend a hand to the preschool education of children in need, in rural areas. For these reasons, your attendance is very important to us. Our tournament is open not only to Rotarians but also to their guests and friends. The tournament will be held between the dates of 3-7 May 2011 at the Cornelia Nick Faldo and The Montgomerie Golf Courses and the accommodation will be at the Cornelia De Luxe Resort Hotel in Belek.

(www.corneliareort.com) May is such a month where golfers will enjoy the best of Belek's courses, while non-golfer partners or friends will enjoy the best of Mediterranean sun and beaches. We will be very pleased to see you in May, 2011.
