

Belek, 20.07.2013

Dear Rotarian Friends,

We are delighted to invite you to the IGFR TURKEY Rotary Golf Championship, which will be organized by the ASPENDOS ROTARY CLUB and held on Belek / Antalya.

This organisation will be held in 6 – 11 November, 2013. The reason that we choose the dates is, there will be European Tour Turkish Airlines Open. (www.turkishairlinesopen.com). Where the best 78 Golfer Racing To Dubai will play. TIGER WOODS has already confirmed to participate to the tournament. There will be 2 days golf on Carya Golf Course and 2 days visit to Turkish Airlines Open. The tee times will be in the afternoon on golfing days. Although the sun is sinking around 16.45, but the golf course back nine is illuminated. So we think it will be an interesting experience to golf on lightning. This lightning will be the first in Europe. This organisation is also open to your friends. For the accommodation we choose Calista Luxury Resort (www.calista.com.tr). We hope you enjoy your holiday.

Looking forward to see you in November.

Kind regards,

Hakan Duran

Chairman of the Organising Committee
